

# Decluttering Checklist for Home Sellers

## Living Room

- Remove excess decor and furniture to create an open space
- Organize bookshelves and clear coffee tables
- Store toys, blankets, and remotes in decorative baskets

## Kitchen & Dining Area

- Clear countertops—keep only essential appliances
- Organize the pantry with labeled containers
- Declutter cabinets—donate unused dishes or cookware

## Bedrooms

- Remove off-season clothes from closets
- Store extra linens in vacuum-sealed bags
- Minimize nightstand clutter

## Bathrooms

- Toss expired toiletries and old makeup
- Use drawer organizers for daily essentials
- Store cleaning supplies under the sink in bins

## Entryway & Garage

- Organize shoes and coats with storage racks
- Clear out seasonal items not in use
- Declutter shelves and install wall hooks for easy organization
